2. INTRODUCTION

HYDROPNEUMATICS POWER & AUTOMATION COMPANY LTD initially started out as a venture back in 2020. With continued growth, it was registered as a limited company in Jan. 2021 to trade in electrical, mechanical, pneumatic (automation) and commercial refrigeration products. Alongside trading, we also **design, install and maintain industrial machines** through our service engineers.

Hydropneumatics has accumulated a strong and healthy market trust through a simple principle that we follow: **Earn Trust with Business**. Hydropneumatics is now among the leading distributors of its range of products in the East African region. It has been providing support and services to all major industries, contractors and traders in the region.

Our core business and area of expertise is:

- a. **Pneumatic Systems.**
- b. **Industrial Drives.**
- c. **Electrical and Electronics Systems.**
- d. **Automation Systems.**
- e. **Mechanical Systems.**

3. PRODUCTS

Hydropneumatics deals with the under-listed products among many others.

1. **U-Flow fittings products – One-touch & two-touch Fittings etc.**
2. **U-Flow Pneumatics products – Cylinders, Valves, FRLs, Fittings etc.**
3. **Janatics/Airtac – Cylinders, Valves, FRLs, Fittings etc.**
4. **Festo Pneumatics – Cylinders, Valves, FRLs, Fittings etc.**
5. **Autonics Sensors and Controllers – Proximity, photo electric sensors, temperature controllers, motion controllers, rotary encoders etc.**
6. **WIKA – Leaders in pressure and temperature measurement.**
7. **Steam products.**
8. **Automation products – Ball & Butterfly valves, Actuators, positioners etc**
9. **JORC – Compressed air condensate management and air leak prevention, auto drains.**
10. **Electrical/Magnetic Contactors, MCBs, Overload relays, DoL starters, limit switches, Power supplies etc.**
11. **Any other product as per your requirement can be outsourced quickly from our source markets in USA, UK, SA, Asia and the UAE & India.**

In addition to the above products which are available both Ex-stock and on a quick delivery period (1-2 weeks), we also supply other general electrical products like Contactors, MCBs, MCCBs, Over-load relays, timers, Isolators, DOL starters, Power Factor correction banks etc.

4. OUR OBJECTIVES

Our objective is to become one of the leading market share holders in one of the most competitive market in the world.

✓ **Our Goal**

Customer satisfaction and exceeding their expectation is the ultimate goal of our company.

✓ **Vision Statement**

To be the preferred supplier of pneumatic, hydraulic, electrical, mechanical, automation and commercial refrigeration products in East Africa and beyond.

✓ **Mission Statement**

We are committed to provide our products at the right time, at the right place and at the right price.

✓ **Core Values.**

Accountability, Fairness, Integrity and professionalism, passion for success, respect and pride, Service, teamwork and trust.

✓ **Our Achievements**

The principles and standards of Hydropneumatics have made the company one of the most reliable supplier in East Africa and we are able to satisfy all our clients who are based in this region.

5. WHY HYDROPNEUMATICS

We aim to not only meet our customer's expectations but exceed them and leave them fully satisfied with our service. To achieve this we:

1. Have very **competitive prices** in the market.
2. Have a **wide range of products** due to full support from our partners overseas.
3. Offer **free delivery and installation/connection** of the purchased products if necessary.
4. Offer **guarantee** on the products we supply.
5. Offers excellent **after-sales service**.
6. We are available for **technical support from our trained team** as well as from our product suppliers who frequently visit the country.
